

Says

What have we heard them say?
What can we imagine them saying?

- heard him say, is correct. You heard in the past, but during that past time he was saying it in the present.
- I saw him give an envelope to the women.
- This is the same construction. You saw him in the past but he was giving it at that present time

Persona’s name
Short summary of the persona

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

I am looking for a better job. The jobs I am going to apply for are High School Headmistress, Subject specialist or lecturership. I

I am looking for a better job. The jobs I am going to apply for are High School Headmistress, Subject specialist or lecturership. I am preparing for all three tests and I am sure I am gonna crack at least one of them this year. I

I have written some stuff and I am looking for a good mentor. I will. In Sha Allah, get my writings published in some local magazines or digests first.

Have you observed children eat food that they like? They enjoy it, one nibble at a time. Completely lost in it.

Have you observed children eat food that they like? They enjoy it, one nibble at a time. Completely lost in it.

If there's one thing that we can learn from children, it's how to enjoy food

Emotions can also affect our behavior directly, as in the case of aggression, or behavior that is focused on hurting others.

When a person feels frustration, anger, tension or fear, they are more likely to act aggressively towards others.

physical factors - age, health, illness, pain, influence of a substance or medication,

personal and emotional factors - personality, beliefs, expectations, emotions, mental health.

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
